

# Sheyenne Valley Peacekeepers

## Camping Rules

1. Long-term camping is available for working members with the approval of the Board of Directors and/or the landowners.
2. Weekend camping is available for shooters on a first come-first served basis. When you arrive at the range, please check-in so you can be assigned a camping spot.
3. A limited number of electrical hook-ups are available on a first come-first served basis, with preference going to those with medical needs. The fee for these sites is \$10 per weekend, \$15 during the State Championship or \$100 per season for long-term campers.
4. There is no garbage service—whatever you pack in you MUST pack out. We would appreciate it if you would refrain from putting glass, metal, or other non-burnable materials in the fire rings.
5. No generators after 10:00 pm or before 7:00 am.
6. Pets must be kept on a leash at all times. Owners are expected to clean up after their pets.
7. Fires must be in designated fire rings, fire pot, or similar enclosure. Please do not cut trees for firewood. Any downed material may be used or you can ask for firewood that has been precut.
8. Children under the age of 12 may not operate motor vehicles (including motorcycles, ATV's, UTV's, or golf carts) unless accompanied by a parent or other responsible adult.
9. Motorized vehicles may be used during shoots if medically necessary. Please try to keep travel between your vehicle and the line or on gravel surfaces only. No use of 4-wheelers after 10:00 pm.
10. Firearms must be put away before your first beer is cracked or bottle uncorked.

**Neither the Sheyenne Valley Peacekeepers club, its board or general members, nor the landowners are responsible for damages to campers parked at the range or damage to or loss of contents. All campers parked at the range and personal belongings are left at your own risk.**
